OVERVIEW

Stafford House Integration Course provides a great opportunity to integrate with English speaking students from Dover College. The Integration lessons will follow a number of subjects taught in English and may include Geography, History, Science or Maths. The integrated classes will be combined with English language lessons and a programme of activities and excursions. There is the option to mix with students on a daily or weekly basis.

THE SCHOOL

Dover College is an independent day and boarding school in Dover in southeast England. The school occupies some of the medieval buildings of Dover Priory. The College provides the perfect setting for a learning adventure. Set around a central green with stunning views of the Castle and the English Channel the school boasts excellent facilities. There is an indoor sports hall, extensive green, cricket and volleyball nets as well as a dance studio that students can enjoy. All accommodation is onsite.
