## Welcome!

I am delighted to present our 2021 brochure which gives details of all our summer and year round courses for individuals and groups. This year we are excited to reveal a new look and a name change! We are returning to our original name of Stafford House Study Holidays, which we think best conveys the extensive and exciting range of courses and locations we offer all year round!

*Ruth Fenton, Director*

Our name may be changing but everything you have come to expect and for which we have an excellent reputation - customer service, incredible locations and student satisfaction - remain very much the same! We have been hard at work to make certain that we are equipped to run our courses in a safe and secure environment once the pandemic subsides and our WeCare pledge (page 6) details the measures we are taking to manage this.

Our centres remain unchanged for 2021, but we have added Homestay options to Bloomsbury and Toronto York University to give greater flexibility. For Individuals, we have now included the registration fee for all centres, the transfer for all UK centres from London Airports, as well as the transfer for our Boston Centre from Boston Logan Airport in the price, so there has never been a better time to book!

We ran a very well received Virtual Summer Camp this year and we will continue running virtual courses for closed groups throughout the year. Once travel to study returns to normal, this programme will offer an excellent opportunity for students to get an introduction to learning with us from the comfort of home before enrolling on a face-to-face course.

We can't wait to welcome students to our centres once more and give them the Study Holiday of their dreams!

In addition, our ‘team in pink’ – our Student Welfare Officers – are at each centre, to ensure that all students have someone to look after them and to listen to them if they have any questions or need advice or support at any time.

Our ‘Team in pink’ Student Welfare Officers are at each of our centres

We are determined to provide the best possible experience for our students. From the moment they arrive and are greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

A variety of fun activities are available at each of our centres both during the day and in the evenings. Students can select from a mixture of sports, dance, drama and team games.
