Our course showcases the very best of Miami with 4 half day excursions

## OVERVIEW

Miami, the "City of Light", is located on the South East Coast of the United States, in Florida. The Metropolitan area is composed of two cities, Miami and Miami Beach, separated by the Bay of Biscayne. Miami provides countless destinations to explore, and our courses make the very most of them, with 4 half day excursions and 1 full day excursion each week taking in the most iconic and exciting sites available, including NASA Cape Canaveral Space Centre and Key West.

For those who love the beach lifestyle, there are visits to Miami South Beach and Palm Beach, home to long stretches of beautiful sandy beaches and the historic art deco architecture that Miami is synonymous with.

## THE SCHOOL

Our summer centre is located at the prestigious St. Thomas University. St. Thomas is a private university with a reputed Law School and a Sports Management graduate course. The pristine 61-acres campus features lakes, woods and green fields and is located in Miami Gardens, a residential neighborhood in the northern district of Miami.

The campus features state-of-the-art sports fields, an indoor basketball stadium and an outdoor swimming pool. The college also features a library, a chapel, various theatre-style rooms and two meeting and lounge areas for the evening.
