

SAINT PETER'S UNIVERSITY (For ages 13-17)

June 28 - Aug 8, 2026

Junior Campus Programs
New York City

CISL students are actively engaged in their learning process through a project-driven English program. Students reinforce language skills, as well as develop new ones which will help them succeed in a post-secondary setting. Through a variety of projects and task-based activities, including debates, presentations, research, and teamwork they will improve their communicative and leadership abilities.

Global Pathways *New Course

Step into your future with a program that blends leadership skills, career and business know-how, and academic English training. Designed for international students, this course prepares you to excel at university, launch your career, and lead with confidence anywhere in the world.

PROGRAM DESCRIPTION

The CISL Saint Peter's University Campus Program offers a complete and rigorous academic program that allows students to not only improve their language and critical thinking skills, but to expand their cultural horizons as well. The program features one-to-six-week CISL English specialized course, daily afternoon activities, one full day excursion per week, and room and board.
