

Student safety has always been a priority at Stafford House and we understand that it will be even more important in summer 2021.

WE CARE

To make our school communities as safe as possible we have made our WeCare pledge, this will ensure that our students can enjoy their experience with us while being confident that they are in the safest possible environment.

We have put a number of practical procedures in place.

We will of course be working with government guidelines to ensure the highest possible standards.

ONSITE NURSES*

Each of our residential centres in summer 2021 will have a nurse available onsite during the school day to assist students who are feeling unwell.

DOCTORS ON CALL

We will also have GMC registered doctors in the UK on call

(at a supplementary cost) to provide telephone/ video consultations should the need arise. They will be able to provide a thorough diagnosis and prescribe any medication required.

MEDICAL ROOM

If a student does begin to feel unwell during the school day a medical room will be available for them to isolate, relax and recuperate in a restful environment.

SCHOOL LIFE

THOROUGH AND INFORMATIVE STUDENT INDUCTIONS

We want to make sure that each and every student that stays with us feels safe and secure in the school environment. Students will receive a warm welcome and thorough induction including information on how to stay safe during their stay.

HANDWASHING

To ensure good hygiene standards are maintained at our centres, we will make time for students to wash their hands between lessons and activities and before mealtimes. This will be monitored closely by our welfare team with extra supervision in place for our younger students.

HAND SANITISER

As our students are often on the go, 70 % + alcohol hand sanitiser will be available throughout our centres and on excursions. Students will be shown where they can find it at induction and encouraged to use it frequently.

ENHANCED CLEANING

All rooms are deep cleaned before occupation and hard surfaces are frequently cleaned with sanitising cleaning liquids that guarantees to kill 99.99% of germs and bacteria including Covid 19.

ACCOMMODATION ARRANGEMENTS

Our group students will only share a room with other students from their group.

STUDENT WELFARE OFFICERS

Our friendly, professional and well- trained teams of Student Welfare Officers are onsite to ensure that our students are supported in all aspects of school life. They will be on hand to provide help with our new school hygiene procedures and will be able to assist if a student requires a visit to the nurse or doctor's appointment.

Our friendly Welfare Officers are always on hand to support students in all aspects of school life

* All residential centres (excluding Yale, New Haven) in the UK, US and Canada have onsite medical provision. Brighton and Calgary (homestay centres), and Yale have medical facilities nearby.
