ADVENTURES IN ENGLISH

Welcome!

I am delighted to present our 2021 brochure which gives details of all our summer and year round courses for Individuals and groups. This year we are excited to reveal a new look and a name change! We are returning to our original name of Stafford House Study Holidays, which we think best conveys the extensive and exciting range of courses and locations we offer all year round!

Ruth Fenton, Director

Our name may be changing but everything you have come to expect and for which we have an excellent reputation - customer service, incredible locations and student satisfaction - remain very much the same! We have been hard at work to make certain that we are equipped to run our courses in a safe and secure environment once the pandemic subsides and our WeCare pledge (page 6) details the measures we are taking to manage this.

Our centres remain unchanged for 2021, but we have added Homestay options to Bloomsbury and Toronto York University to give greater flexibility. For Individuals, we have now included the registration fee for all centres, the transfer for all UK centres from London Airports, as well as the transfer for our Boston Centre from Boston Logan Airport in the price, so there has never been a better time to book!

We ran a very well received Virtual Summer camp this year and we will continue running virtual courses for closed groups throughout the year. Once travel to study returns to normal, this programme will offer an excellent opportunity for students to get an introduction to learning with us from the comfort of home before enrolling on a face-to-face course.

We can't wait to welcome students to our centres once more and give them the Study Holiday of their dreams!

To make our school communities as safe as possible we have made our WeCare pledge, this will ensure that our students can enjoy their experience with us while being confident that they are in the safest possible environment.

We have put a number of practical procedures in place.

We will of course be working with UK Government guidelines to ensure the highest possible standards.

ONSITE NURSES*

Each of our centres will have a nurse available onsite during the school day to assist students who are feeling unwell.

DOCTORS ON CALL*

We will also have highly qualified, GMC registered doctors on call to provide telephone/ video consultations should

the need arise. They will be able to provide a thorough diagnosis and prescribe any medication required.

MEDICAL ROOM

If a student does begin to feel unwell during the school day a medical room will be available for them to isolate, relax and recuperate in a restful environment.

SCHOOL LIFE

THOROUGH AND INFORMATIVE STUDENT INDUCTIONS

We want to make sure that each and every student that stays with us feels safe and secure in the school environment. Students will receive a warm welcome and thorough induction including information on how to stay safe during their stay.

HANDWASHING

To ensure good hygiene standards are maintained at our centres, we will make time for students to wash their hands between lessons and activities and before mealtimes. This will be monitored closely by our welfare team with extra supervision in place for our younger students.

HAND SANITISER

As our students are often on the go, 70 % + alcohol hand sanitiser will be available throughout our centres and on excursions. Students will be shown where they can find it at induction and encouraged to use it frequently.

ENHANCED CLEANING

All rooms are deep cleaned before occupation and hard surfaces are frequently cleaned with sanitising cleaning liquids that guarantees to kill 99.99% of germs and bacteria including Covid 19.

ACCOMMODATION ARRANGEMENTS

Our group students will only share a room with other students from their group.

STUDENT WELFARE OFFICERS

Our friendly, professional and well- trained teams of Student Welfare Officers are onsite to ensure that our students are supported in all aspects of school life. They will be on hand to provide help with our new school hygiene procedures and will be able to assist if a student requires a visit to the nurse or doctor's appointment.

Our friendly Welfare Officers are always on hand to support students in all aspects of school life

* All residential centres in the UK, US and Canada have onsite medical provision (doctors and nurses). Brighton and Calgary (homestay centres) have medical facilities nearby.

YOUR STAFFORD HOUSE

Our aim is to take exceptional care of each and every student that stays with us. Our centres and locations have all been selected for their safe and secure environments, and we offer high levels of supervision.

STUDENT WELFARE

We understand that you trust us to take care of your students and we take our responsibility very seriously. For this reason, we have rules and procedures in place for all our young students to ensure their safety and well-being, which of course is our top priority.

In addition, our ‘team in pink’ – our Student Welfare Officers – are at each centre, to ensure that all students have someone to look after them and to listen to them if they have any questions or need advice or support at any time.

We are determined to provide the best possible experience for our students. From the moment they arrive and are greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

Our English Language courses in the UK are accredited by The British Council. We are also founder members of Young Learners English UK, a group who are dedicated to ensuring excellence in all aspects of junior courses, especially student welfare.

SECURITY

Our schools have always been a safe haven for students and we have highly developed contingency plans in place in the unlikely event of an emergency. Our staff are fully trained in these procedures so students can always feel they are in safe hands whilst in the care of Stafford House.

A WIDE RANGE OF EXCITING ACTIVITIES

A variety of fun activities are available at each of our centres both during the day and in the evenings. Students can select from a mixture of sports, dance, drama and team games.

For those who prefer to be creative we offer a range of arts and crafts as well as drumming, carnival and circus workshops. The fun carries on into the evening when students are able to enjoy discos, talent shows, international nights and much more. Our activities provide the perfect opportunity for students to use the English that they have learnt with international friends.

SPECIALIST COURSES

We also offer specialist courses such as Michael Owen’s Red Star Football School, World of Work courses and Classic PLUS courses ranging from art to tennis, adventure activities to video games coding!

Each student will go home with a portfolio of their work

TEACHING

We employ dedicated professional teachers who are supported and guided by an experienced academic management team at Head Office.

Our syllabus and course materials are designed uniquely for our students, and aim to improve students’ communicative competencies by building confidence and motivation and maximising the benefits of the multi-lingual classroom. Our aim is simple: to encourage students to use

the language in realistic, cultural and fun situations. Each student will go home with a portfolio of their work along with tips and suggestions for further study.

A VARIETY OF GREAT EXCURSIONS

Our exclusive programme of excursions to historical, cultural and fun destinations is linked to motivating lessons that prepare students for visits to many of the UK, USA and Canada’s most famous cities. We use major excursion destinations such

as London, Cambridge and Oxford as a “classroom” where students are exposed to a wealth of history and culture through guided walking tours, educational materials and visits to museums, colleges, cathedrals and other attractions. Our carefully planned tours enable our students to visit famous landmarks and learn about the history and culture of the city. FOUR PARTS TO A PERFECT LEARNING DAY

1. LESSONS

Our online lessons are specially designed to target students' communicative competencies. Each day will be centred around a topic & will use our tried & tested structure: the first two lessons will focus on new vocabulary which will be used in practical & fun ways in subsequent lessons. All materials have been designed exclusively for Stafford House & breakout rooms will encourage pair and group work.

2. PROJECT WORK

Project work is a great way for students to make their own choices about what they learn, involving different skills and promoting creativity. Project work can cater for a wide range of learning styles and personalities and allows students to develop both their research and presentation skills. Projects are usually completed in small groups and can be presented in a variety of ways including: wall displays, blogs, short films, and magazine or newspaper articles.

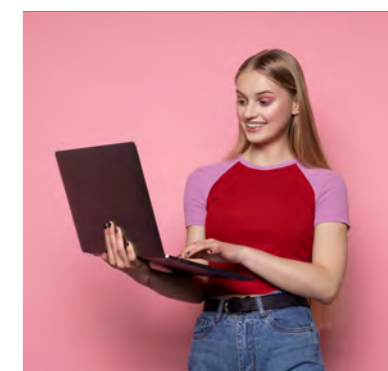

3. ACTIVITIES

A Stafford House online activity will provide the perfect end to your daily session with us – the words & phrases that you have learnt in class will help you have fun, use your English & even pick up a new skill. Activities Include: blog writing, international event, lip sync battle, talent show, scavenger hunt, virtual city & museum tours.

4. HOMEWORK

The Stafford House day doesn't end with an activity - the learning keeps going. Students will be given a homework task each day to complete, this will build on what they have learnt in class & allow them to explore the topics even further. Homework tasks may include: listening to a TED talk or preparing a written or video presentation.
