ADDRESS: CHESTNUT RESIDENCE, UNIVERSITY OF TORONTO, 89 CHESTNUT STREET, TORONTO, ON M5G 1R1

There are a lot of exciting things to see and do on our programs in Toronto including a visit to Niagara Falls!

### OVERVIEW

In 2019, The Economist ranked Toronto as the 6th safest city in the world and the safest city in North America. It is the home of the tallest structure in USA and third tallest in the world (The CN Tower), the longest street in the world (Yonge Street), and the NBA champions (The Raptors)! You can choose to spend the day at one of Toronto's islands, at one of the many parks and nature trails, at the beach, or at one of the different cultural pockets around the city such as China Town, Little Italy, Portugal Village, and Greek Town just to name a few.

### THE SCHOOL

Founded in 1827, the University of Toronto is Canada's leading institution of learning, discovery and knowledge creation, blending historical architecture and inviting green spaces as a backdrop to a truly remarkable community. Located in the heart of the downtown core, Chestnut Residence is just a 3-minute walk from City Hall and the famous Toronto sign and only a 10-minute walk from the Eaton's Centre.

- 25 minutes by taxi from airport to school
- Centrally located in the downtown area

WHAT’S INCLUDED:

**TUITION**  
Students will take part in 15 hours of English language lessons per week. Lessons are topic based and designed to be fun, energetic and informative. They enable students to use their English in real world situations and increase their confidence.

**ACTIVITIES**  
We offer a variety of activities including quizzes, arts and crafts and team games. Our activities provide opportunities for students to use the English they have learnt and make international friends.

**EXCURSIONS**  
Full and half day excursions allow students to really get to know Toronto and the surrounding area. Locations such Niagara Falls become a classroom, where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

**CERTIFICATE**  
Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

Medical Facilities

The school has medical facilities located nearby. Stafford House staff will be able to assist students that require an appointment.  
\*At cost

Temperature Checks

Regular temperature checks of students and staff will be taken using non-contact infra-red thermometers. These are quick and simple and can be carried out at a distance.

Medical Room

If a student does begin to feel unwell during the school day a medical room will be available for them to isolate, relax and recuperate in a restful environment.
