WOODCOTE, UK

WHAT'S INCLUDED:

TUITION

Students will take part in 15 hours of English language lessons per week. Lessons are topic based and designed to be fun, energetic and informative. They enable students to use their English in real world situations and increase their confidence.

ACTIVITIES

We offer a variety of onsite activities including sports, arts and crafts and team games. Our activities provide opportunities for students to use the English they have learnt and make international friends.

EXCURSIONS

Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Cambridge and Edinburgh as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

Woodcote is a thriving village with a good range of local amenities. The impressive Oratory School stands in extensive park-like grounds with manicured gardens to the east of the main village and has outstanding facilities. On site there is an art centre, a golf course, basketball courts, an indoor swimming pool, tennis courts (grass and normal), real tennis courts and a cricket pitch. The village has good road connections with easy access for Reading, Henley and Oxford and within easy travelling distance of London.

The school has excellent residential student accommodation, furnished to a high standard and located on campus. Most rooms are single, with some twin, all with shared bathrooms. There are common room spaces as well as on-site catering and large dining room in the main building.

ENGLISH CLASSES

Our academic programme provides the perfect learning adventure through dynamic, interactive, informative and culturally integrated lessons. Our syllabus is specially designed to target communicative competencies by building confidence and motivation and maximising the benefits of the international environment. Our aim is simple: to encourage students to use the language rather than just learn about it. Our teachers are specially trained to encourage students to use language in realistic, cultural and fun situations. Linking our activities and excursions to our classroom learning enables students to put what they have learnt straight into practice and communicate meaningfully with others from a range of nationalities. Classroom language and everyday English will help students really make the most out of their stay.
